

To gain a better understanding of our 21<sup>st</sup> century, you need to ‘see’ the social forces that shape and steer your life. In *Sociological theory: A critical primer*, you will find the latest research — in concise and understandable language, with many quotes from their original sources — to help you gain a better understanding of your social world. Beginning with a detailed discussion of social stratification, Dr. Jensen then presents his readers with an overview of the agency / structure debate and the difference between traditional and critical theory. It is his hope that his book will help you understand your world sociologically.

**Author:** Under the mentorship of Prof. Rudolf J. Siebert (b. 1927), Dr. Jensen earned his Masters in Comparative Religion and, in 2015, his doctorate in Sociology from Western Michigan University. His masters degree gave him a working knowledge of Christianity, Buddhism, and Islam. His doctorate allowed him to specialize in sociological theory, the sociology of religion, the critical theory of the Frankfurt School, and, in particular, the works of Erich Fromm (1900-1980).
